PRIMARY REGION TYPE: ARID

Arches National Park may look like a barren landscape, but many of the rocks and ridges are home to hard-to-find desert species. Focus on the 4-9 point cards to win with this deck. If you are lucky, you may set the stage for the Golden Eagle to be played.

The **ARCHES NATIONAL PARK AREA** starter deck gives you the ability to begin playing against your friends without the need to purchase any additional cards.

222 TOTAL POINTS IN THIS DECK
